# Bienvenue au Camp Jeunesse!

Studies have shown that the younger children are when they begin foreign language instruction, the easier it is for them to learn and the more native fluency they acquire. That is why we at the Alliance Française de Cincinnati are dedicated to teaching children French from an early age. We would like to invite your 5-12 year old children to participate in our summer immersion day camp, "Camp Jeunesse". Our camp will take place for two weeks this summer: one week in June and one in July.

Children will be placed in groups by age. Through games, music and art activities they will have fun while they learn about the French language and culture for three hours each day.
