

MONTHLY NETWORKING EVENTS 2008

presented by
The European-American Chamber of Commerce

The series:

Every third Thursday of the month, the European-American Chamber of Commerce invites Cincinnati's business community to visit one of our exciting member companies. Guests have the opportunity to meet our monthly host, tour the facility, mingle and network in a relaxed after-work atmosphere. Drinks and finger food will be served.

May host:

On Thursday, May 15th, join us for our networking event at Lafarge North America. This French company is a world leader in building materials, employing over 15,000 people in 1,000 locations across the US. The Silver Grove plant in Northern Kentucky is the world's largest gypsum wallboard production facility. The Silver Grove Plant is the recipient of environmental awards for the preservation of wildlife habitat on their production site. You are invited to visit this award winning manufacturer at the EACC monthly networking event.

Please note that for security reasons this visit is limited to 40 pre-registered participants!
